

# Girls' STEM Programs

If you are a female (K-12) and have any interest in camps, programs, or classes introducing girls to fields in STEM, STEAM, Coding, Computer Sciences, Engineering, or anything similar, this is the place for you! Here you can easily find links to articles, flyers, and information on programs regarding these subjects in the Chicagoland, Illinois area. Empower girls to open their minds to new possibilities in STEM jobs, and help them to learn what these fields can offer!

Below is a compiled list of information regarding various STEM programs for girls.
